FEED ETHIOPIA

EMERGENCY FOOD RELIEF FOR VULNERABLE FAMILIES

FUNDRAISING GOAL **US$100,000**

Campaign presented by: African Relief & Care Foundation

Fundraising platform / campaign support: Help For Treatment

Campaign Overview

Millions of people in Ethiopia face serious food insecurity as drought, conflict, displacement and economic pressures disrupt livelihoods and limit access to nutritious food. Children, women, displaced households and other vulnerable communities are especially at risk. Humanitarian agencies continue to report significant food and nutrition needs across the country.

This proposed fundraising initiative aims to support vulnerable households through emergency food assistance, food packages or vouchers, and nutrition screening and referral support. Contributions raised for this campaign would be directed toward the activities and costs outlined in the proposed budget below.

Proposed Response

• **Emergency food support:** Provide food baskets or food vouchers to eligible vulnerable households. •

Logistics: Arrange safe transportation, temporary storage and handling of food supplies. • **Nutrition**

support: Support nutrition screening and referrals to appropriate health or nutrition services.

• **Accountability:** Record distributions, monitor delivery and provide donors with clear financial and activity updates.
